CASH FOR TRASH

Participation in the City of College Station's recycling program can pay off. We award \$250 to our monthly recycling contest winner. One street and two alternates are drawn randomly each month for the contest. Each recycling pickup day for the street is monitored at 8 a.m. and addresses with recycling for pick up are entered into the drawing. At the end of the month, one address is drawn for the prize of \$250 and their picture in *The Eagle*. Only residents participating in our curbside recycling program are eligible.

If you would like to learn more about how you can join in on our curbside program, please call 764-3690.
